Education

Coding Boot Camp

University of Denver
Starts on 9/15/20 and ends 3/23/21

B.A. in Business Management

University of Nevada Las Vegas
05/2012

A.A. in General Studies

Yavapai College
05/2009

Multi-faceted entrepreneur with 8 years of experience. Successfully grew two start-ups. Exceptional communicator, motivator, and problem solver with technical expertise. Creates seamless UX and UI with creative but functional designs. Seeking Project Manager role in the tech industry.

Experience

November 2020

quotePic

This application is a product of my first team related project for Denver University's Coding Boot Camp. It features a quote and photo generator that work together to create motivational and inspirational graphics that the user will eventually be able to share on social media. Languages used include HTML, CSS, and JavaScript.

October 2020

Work Scheduler App

This application saves events for each hour of the work day and features dynamically updated HTML and CSS powered by jQuery. The Moment.js library was used to display the date and time. Past time blocks are dark gray. Present time blocks are light gray. Future time blocks are white.

Weather App

This application showcases my first experience implementing a Third Party API into an application that I created from scratch and features dynamically updated HTML and CSS powered by Javascript. I used Bootstrap to design the UI. Users can check the weather conditions for any city and the browser will then store their searches. Deployed App

Other Experience

UNLV Men's Basketball Team
2009-2011 in Las Vegas, NV

Yavapai College Men's Basketball Team
2007-2009 in Prescott, AZ

2009 NJCAA Academic All-American

Awarded annually by the NJCAA to the most outstanding student-athletes of a specific season. Nominations are submitted by each student athlete's respective institution. Nominees must maintain a 3.60 GPA or higher in order to be considered for this award.

Founder, Motivator, and Mentor at Mychal Martinez Basketball

Founded a profitable basketball training service designed to help youth to professional level athletes improve their skills and maximize their athletic career potential. As the Sole Proprietor, performed the roles of Basketball Trainer, Business Manager, Administrator, Accountant, Marketer/Advertiser, Web Developer/Designer, and more. Quickly scaled from a solely in-person training business to a comprehensive web-based training platform in early 2020 during the COVID-19 outbreak.

Co-Founder & Director of Operations at Colorado Premier Basketball Club

Supervised a large staff of 20+ coaches and several program coordinators. Drove on average \$275,000 per year in gross membership revenue during my tenure in the start up phase. Led a \$30,000 sponsorship project, negotiation, and successfully completed deal. They are now generating over a million dollars in annual membership revenue. Successfully managed company website and SEO boosting it to a number one ranking on Google for the keyword Colorado youth basketball club.
